THE POET CALLS IN AIR STRIKES: NOTES AND POEMS FROM VIETNAM (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Waiting Out the Chess Master The material here was a bit too personally sensitive for publication while I was in the Marines, or for these many years thereafter. However, wars leave almost geologic strata of mental residue. Sometimes either a little digging, or a different angle of perception can unearth a bit more clarity, both to bystanders and to later generation. That is why I bring these forth now. - David Hon - Rock and Roll and folksongs had invigorated our bodies and souls, but there was ever a specter present. Even as free love changed our young lives from a pseudo-Victorian upbringing, the prospect of our young death in war grimly counterbalanced what was a jolly good time in the early 60s. Many young American men felt they were stalling off death. They kept their grades up to stay in college or remained in bad marriages if that would keep them from the military draft. They turned physical problems into assets: a mere doctor's note could save their lives by effecting a deferment. They went in the Peace Corps. Canada started getting male immigration from the States. Long before the Vietnam involvement was nationally unpopular, it was a danger lurking over most men in their late teens. More specifically, some like me thought to wait it out. Surely the little involvement in 1962 would not grow. Then surely, the draft and the larger influx of troops sent there meant it would all be over soon. Then surely, by 1964, it could not last much longer. It could not be longer than World War I, or World War II or Korea had been. I felt safe in the timing, and .surely it would all be...
